The driving beat is danceable and makes one want to sing along. 1 MP3 Songs POP: Pop/Rock, COUNTRY: Country Pop Details: Judy Welden says, "The song lyrics came about when a family member had started using drugs. I've never abused any substances myself, but do know first hand about the adversity it can cause a person and their loved ones and family. Gary Wayne liked the lyrics and volunteered to write the music." Although Judy first heard it (in her head) as a ballad, she fell in love with the cool, uptempo melody Gary wrote for it. It went out as a single to stations worldwide on WHP compilation #89 in June, '08 and was heard live, and well received, at a Celebrate Recovery dinner meeting in Gainesville, GA at the time of the release.
