

# Mp3 Kris Campbell - Running From The Rain

[DOWNLOAD HERE](#)

A melodic selection of sunny California pop with a base of funk. 9 MP3 Songs POP: California Pop, ROCK: Funk Rock Details: Kris started out playing bass at the age of 12 by default for it was the remaining instrument needed to form a band with grade school friends. He would continue to stick with the bass as his "main" instrument. After graduating from SUNY Fredonia with a degree in Sound Recording, it was off to L.A. There he became involved working with a handful of bands, working live sound in clubs and engineering in studios both in L.A and Las Vegas. It was here that he started to pick up a guitar every now and then for an additional writing tool. After almost three years there he jumped ship with a band and relocated to Philadelphia, PA. It was here that he reconnected with Jazz Legend Chick Corea to begin work as a Stage Manager. Taking a break from performing he began to concentrating on writing for a few years and now finally was able to pull things together and cut this Album...
