global fairy folk. Acoustic, lyrical, melodic, contemplative 16 MP3 Songs FOLK: Progressive Folk, FOLK: like Joni Details: This is an eclectic compilation of acoustic folk music, ethnic instrumentation, contemporary rhythms, dreamy harmonies, soothing lullabies, playful melodies, thoughtful lyrics, and overall positive vibrations. Gauranteed to uplift and inspire! "You can't put Melita in a box. Her music is folk-fairy-roots-gospel-traditional-innovative and wonderful! It is music for almost any occation, for sweethearts, for family, for children, and adults of any age. She really crosses boundries and she comes from her heart." ----Jess Ezra "Melita's music is sweet and soulful with organic rhythms and playful rhymes. Listening will take you on a global journey over mystical mountains and spacious seas." ----Eric Fenster "mesmerizing voice, magical melodies... divine!" ---Zoe Dubkinoff "I am so enjoying listening to Delicate Web! Melita's voice is so clear and light and beautiful. I love the diversity of the songs on the album - some old favorites done in a new way and some new songs written by Melita. I find all of the songs inspiring and joyful." ----Serena Heaslip "When I put on Delicate Web, it's a visceral reminder that there is hope for love, peace, and beauty in this world. The feeling the album engenders is unlike most other albums in my collection. I am instantly transported to a place where I can relax in my own body, smile, and flow." ---Doug Chermak "I absolutely love your CD. These are some of the feelings I have about it: Born again folk. Beautiful integration of voice and instruments. Spiritual life force woven through the fabric of sound. Melita's voice is crystal clear, expressive and angelic. A work of art and a gift to the world." ----L.S.
