Fans of singer-songwriter reveries and lyrics with twists will visit a world of shadows and silhouettes, lovers who "just don't get it," fireflies, barflies, fairytales, and the flight of time. Once Upon a Full Moon Night, anything can happen . . . 11 MP3 Songs POP: Folkly Pop, ROCK: Acoustic Details: Your 2 a.m. cup sits warm by the window, as you gaze out at the moonlit sky, dreaming in the quiet and solitude . . . you remember . . . a hundred full moons ago . . . holding tight, holding on . . . where did that moment go? . . . maybe you let go a little too soon . . . can you wish it back? . . . once upon a full moon night, anything can happen . . . Performing as the guitars-and-vocals duo Once Upon a Full Moon Night, Jay and Annette Dunner offer acoustic tales - songs with stories -- whether a long-lost lover, flashes of childhood, moonlit passions, relations gone awry, or the head-over-heels giddiness of knowing anything can happen . . . and on Anything Can Happen, theyve expanded their imagery-laden dreams and dramas, adding harmonies, keyboards, harmonies, percussion, effects, and more harmonies. Anything Can Happen is: the haunting longings of Once Upon a Full Moon Night and Time and Time Again the bluesy snap of Straitjacket of Love the carousel keyboards of Fairytale in Motion the layered harmonies of Cool the slinky guitar lines of Whenever the happy tap-dance of Right Where I Want Me the past and future memories of Fireflies the sonic shuffle of Spring in Your Step the big blast of Burned by Love and, of course, the soaring chorus of Angel in the Snow Fans of singer-songwriter reveries and lyrics with twists will feel right at home here. Its a world of shadows and silhouettes, lovers who just dont get it, fireflies, barflies, fairytales, and the flight of time. Once Upon a Full Moon Night, anything can happen.
