Related styles: CLASSICAL: Impressionism, SPIRITUAL: Instrumental Gospel People who are interested in Eric Clapton Andrs Segovia Duane Allman should consider this download. Details: Robert R (Bob) Patterson has been writing and performing songs for the past 35 years. The sensations that one get's when listening to his classical guitar music could be compared to feelings that one gets when viewing the impressionist paintings of Monet. He is also a writer of Folk Songs. Just Sparrows is a compilation of songs that were played as lullabies to his wifes grand children every night to help them go to sleep. They, like Impressionist paintings create a very relaxed environment for all that hear them. A Warning label could be added to the CD that reads as follows: CAUTION: THESE SONGS HAVE BEEN KNOWN TO CAUSE DROWSINESS. IT IS NOT RECOMMENDED THAT ONE LISTENS WHILE DRIVING. Copies of the songs are played to help the children go to sleep when a live guitar player is not available. This was the basis for offering the music to others. Anyone (child or adult) with insomnia should consider this music to help them relax. Customers have recommended that parents may consider buying a copy to help their children go to sleep at night. This has been known to work at the Patterson residence.
