GOSPEL: Contemporary Gospel, NEW AGE: New Age Details: Fulfilling her destiny and leaving a legacy are two of the things that drive Sonya Knight. This talented singer/songwriter was born in Raleigh, NC and raised in Atlanta, GA. She has been blessed with a gift to encourage and bring hope to anyone who needs it. Her music is a reflection of this. In April 2007, in conjunction with Paul Anderson and Profusic Productions, Sonya released her debut album, DZinR Original (Designer Original). This album is the beginning of a movement to encourage unity, authenticity, and an appreciation of uniqueness within the Body of Christ. Gone are the days of looking at the outside of a person and judging, when God is looking at the heart, says Sonya. If we have the mind of Christ, as believers, how can we continue being divided and superficial? These questions and concerns were the impetus for songs like Unity Chant, Speak Life, and DZinR Original (the albums title track). Prior to the recording of her album, Sonya sang background for a variety of artists including Darwin Hobbs, Kelly Price, Kandi (former member of Xscape), Chante Moore, Faith Evans, Darlene McCoy, Christopher Lewis, Shad Simpson, and Candi Staton. Shes written songs for Sha Simpson, Alyson Williams, Tony Terry, and the musical stage play "The Women". Sonya is excited about the release of her debut album and its her prayer that DZinR Original will be used to draw people closer to God and to one another.
