I keep it real i never talk about things that I never seen or done before I rap from the heart but with this record i decided to do something different and do some poetry 16 MP3 Songs SPOKEN WORD: Poetry, HIP HOP/RAP: Hip Hop Details: Born and raised out of Raleigh, North Carolina 18 yrs old Marcus Spears better known as SpyrQ pronounce (Spy-Roll) with an O and a L got the idea for his name from the game. In this game Spyro is a dragon trying to save other dragons through out the game. Marcus took the idea and flipped it, meaning that he is helping those that been through what he has been through, witness and knows his struggles and by doing this he will preach the word and try to change the world through his lyrics and let everyone know that they can make it and help them turn a negative situation and turn it around and make it a positive one. SpyrQ has been rapping since 1998 and isn't going to stop until he let the world feel his pain.
