electro, electro pop, pop 10 MP3 Songs in this album (44:25) ! Related styles: ELECTRONIC: Electro, ELECTRONIC: Electronica People who are interested in Depeche Mode Prodigy The Knife should consider this download. Details: SUPEROSCOPE is a new and exciting production duo hailing from NYC. After meeting by chance in the summer of 2004 in Central Park, their acquaintance quickly blossomed resulting ultimately in the creation of a concept called SUPEROSCOPE, which, in turn, later lead to the founding of a 2-man band under the same name.
