Details: This mystical recording was created entirely on air, the life-giving element which encompasses everything within the human experience. Hauntingly beautiful, Tania Rose blends wind instruments and an angelic voice to create a gentle journey of stillness and beauty...or perhaps it is darkness and mystery? Only you will be able to decide for yourself. Reflections of the soul? Calls from the sky? Perhaps simply a powerful expression of what lies beyond where our human eyes can see. Sometimes it stands still, other times it floats on gentle breezes, and one can even feel the pulsing of life at times, chanting and mesmerising. Whether you hear this recording as a spiritual pilgrimage or a song of the wind, there is something simple and beautiful to experience here. The 6th recording from Tania Rose, this is the first which does not use any electronic instrumentation, and there within lies it's uniqueness. This one is a must. Music for RELAXATION REFLECTION Tania Rose has inspired millions around the world with music that reflects the journey within all of us. Gentleness and power combine in movie-like soundtracks, unearthing a tenderness and an understanding beyond the complexities of the mind. Silence and the little things broaden out into the vastness of space, unwinding and revealing hidden treasures within ourselves. Music for LIFE This is the journey into the imagination, into the depths of a place we can never truly understand, but are compelled to see. And our musical taxi gently unfurls the wings which carry us into our own mystical world of a myriad of possibilities. Chill-out and Unwind Be Still Reflect Sleep Dream
