COUNTRY: Country Rock, COUNTRY: Traditional Country Details: Tommy Miles has been around for quite a few years(decades actually). Starting his musical career on the Mississippi Gulf Coast in its hayday of rock&roll clubs and the vices that went with them. Over the years, Tommy, has worked with some very influential people including, Delaney Bramlett, Spooner Oldham, Chris Ethridge. Has done shows with the diverse line up from Ernest Tubbs to Delbert McClinton. After four years of traveling back and forth from California to Alabama, working with long time songwriter buddy Spooner Oldham and long time drummer Steve Tucker and a few friends, "Take Me Back Biloxi" was finally finished.
