

Mp3 Voide - Humachine

[DOWNLOAD HERE](#)

Swedish thoughtful and upbeat Electronica with influences from electronic music pioneers in the past, present and future. 14 MP3 Songs in this album (69:53) ! Related styles: ELECTRONIC: Electronica, POP: Synth Pop People who are interested in Depeche Mode Kraftwerk should consider this download. Details: Voide dictionary: Humachine - erases the borders of humanity and machine existence, merges them to into one unit and the result is a composite of contradictory operators in a biomechanical structure. One could argue that this is bad, another that it is good - the only thing that is for sure is that it raises more questions than it answers. - About the tracks - Humachine Join the Humachines, become the improved version of yourself Between sheets - Intimate Electronica, simple as that Adrenalin - Essence in the extreme presence of reality How does it work - If one is a biomechanical being, how does the emotional life work? Classica Humachine longing Electrolyte The charge and release of energy stored in a capacitor In agony with hope Once tweaked turning back is impossible, this may bring agony but also hope for a better future Sometimes I daydream Dreaming in a semiconscious state of things in the past, present and future I/O You Expressing affection in a binary fashion is more complicated than it appears Emo bliss Finding that emotional bliss inside the soul is an effort that is truly rewarding Rock the geek Synthetic rock for Humachines The mechanical fiddler A machine that turns into a musical biomechanical being as a result of joining the Humachine movement Toxic Mind the environment regardless if you are human, machine or Humachine! Retrothought Remember how it was before the changeover to Humachine The Humachine album is the third Voide album to be released by the indie label Voide Records. Previous albums are Evolution (2008) and Space Sponge (2007). All music, lyrics and mixes are produced by D. Almgren as Voide.
