The Wolf Dance brings us several more contemporary favorites performed on his trademark pan pipes and Native American flutes. 12 MP3 Songs WORLD: Native American, NEW AGE: Meditation Details: The Wolf Dance brings us several more contemporary favorites performed on his trademark pan pipes and Native American flutes. Hauntingly melodic, the contemporary songs are as mesmerizing as the traditional selections that include The Wolf Dance, Ancient Spirit, and The Breeze (Rain Forest Love). Acoustic guitar, piano, and natural sound effects enhance the ethereal sensations. In response to requests from enthusiastic listeners, Wayra has selected the songs on The Wolf Dance. During his travels throughout the United States performing at festivals and arts and craft venues, Wayra has made many, many friends, and his audience crosses all cultural boundaries. In common they share a love of his music - the extension of his years of experience, practice, learning, and spiritual introspection. His travels have inspired the magical ambience of The Wolf Dance. Take a rest from the hectic pace and come with Wayra on a musical journey to a peaceful place - a trip that includes some of our favorite songs in a visit to the rainforests of Peru.
