Medical personnel were dropping like flies and Dr. Sasha Pulaski wasn't going to just stand by and do nothing. She believed in her work and would do anything for her patients. But how could she help when she was next on a murderer's hit list? The only bright spot was her new protector--Detective Anthony Santini, a man determined to catch the hospital killer and watch over Sasha. And when the building was in lockdown mode, she turned to the handsome lawman--and found more than just a strong guardian angel. Could he help her see the unspoken possibilities sizzling between them before it was too late?
