

## Instant Split Commissions

[DOWNLOAD HERE](#)

Reward Your Affiliates Instantly And Create An Unrelenting Army Of Happy Affiliates Selling Your Products Non-Stop. Instant Split Commissions is not just an affiliate program; it is an Instant Affiliate Payment and Affiliate Recruitment System designed to work with ANY business selling affiliate products or services. Instant Split Commissions Offers a Unique Follow-up Cross-Prospecting Technology... Numerous studies have shown that a customer who buys a product from you is most likely to buy from you AGAIN. Instant Split Commissions offers the ability to send unlimited follow-up emails for EACH product that you have. Further, these follow-up messages are sent around the same time that they bought the product - when they are most likely to be online. This allows you to thank your customer in a follow-up email, and opens up the possibility that you can market your other products that you sell to them! Strategic Cross-Prospecting is one of the most powerful and successful marketing techniques anywhere! Key Features: Completely Template Based No complicated code to edit Just paste your HTML file from admin panel and each sales letter can have its own individual look! Edit all emails on your browser from admin area Supports Unlimited Number of Products No need to install on multiple servers

PayPal / StormPay IPN - Just enter your PayPal/StormPay emails and the program does the rest. If customer does not have PayPal or StormPay, the buttons will not appear on their affiliate page. Choose Who Is Paid First - You or the affiliate. Can set commissions for each product Intelligent Cross-Prospecting Follow-Up Emails Unlimited number of follow-up emails for each product Follow-up emails sent at the same time that they purchased the product! Choose Whether To Allocate Affiliate Rights After Customer Buys Product For each product choose if customer must buy the product to get an affiliate link! Intelligent fraud detection system to prevent cheating on affiliate commissions, e.g. customer cannot order from their own affiliate link. Submit marketing emails and banners from admin panel - they are personalized for each affiliate Send personalized email to each customer in the whole database Send personalized email to a single customer Both admin and customers have detailed Sales/Affiliate Stats These features barely touch the surface of the power of this software. Once you put it into action, you're are most likely to notice a big buzz about your products or services. The best part is its extremely easy to use.
