

Jamie - Lori Foster

[DOWNLOAD HERE](#)

For four books--from Say No to Joe? through Just a Hint, Clint--she's given her readers only glimpses of the mysterious mountain man every woman wants to know better. Now, New York Times bestselling author Lori Foster is ready to give readers what they crave--and this time it isn't just a taste--it's the whole man himself--just Jamie. Carrying a naked woman up a mountain in a driving storm--now there's a way for a man to start the day. But for Jamie, the unconscious redhead in his arms is an intruder, one who could bring him harm. He has his reasons for hiding out in this mountain cabin; for keeping his emotions hidden; for never, ever getting too close to anyone. And he's not about to stop now. Before she passed out in his bed, she said her name was Faith--an appropriate name since he has to take her at her word. Who is she? Why is she here? Who sent her? And what is she doing to him? Jamie's used to feelings of wariness, isolation, of being on guard. What he's not used to is this dangerous, nearly uncontrollable new emotion raging through him. Jamie wants Faith, as a man wants a woman--and it may already be too late to turn back. . . Author: Foster, Lori Publisher: Zebra
