Watch me - how Im doing Simple Membership Site install Try it yourself - Signup Page [HERE] (Try it and get FREE bonus) Features added in the new version 1) Multiple Signup pages. In the new version, we have provided 3 different signup pages instead of a single signup form given in the previous version.

Common Signup Page This Common Signup page will work with any payment processor like Paypal, Clickbank, 2Checkout and others. This Signup page can also be used for Free Membership Access. Signup page exclusively for Clickbank Customers Using this Signup form, only paid Clickbank customers will be able to create membership account. Clickbank Receipt number, customer name and email

address will be added to the database. So its easy for you to list or search Clickbank customers in the Admin Control panel A Signup page exclusively for Paypal Merchants Only paid Paypal customers will be able to create membership account (Using paypal IPN). Paypal Transaction ID and Paypal Email will be added to the database. So its easy for you to locate members paid by paypal. 2) Advanced Search Feature In the new version, we have added an advanced search features. Now you can search User ID, Signup Email, ClickBank Receipt#, Paypal Transaction ID, Paypal Email, name and IP Address. 3) Member List Option: In the new version, two list buttons are included - list new members and list all members. 4) An Option to add your One Time Offers (OTO) in the welcome page. Just copy and paste the OTO page HTML code into the Admin Setup page and OTO will be displayed at the bottom of the welcome page. So all new members will see your new Offers after they created a membership account. 5) Encrypted Paypal Button Code Fields. Instead of providing Raw Button Code fields, you get Encrypted Paypal Return URL, Notify URL and Custom Field for extra security. You can easily copy and paste those fields into your paypal buynow/subscription button code. For each signup, the system will verify with paypal whether the new member is paid the xexact amount you specified to the given paypal email address. This option is suitable for both single payment membership access and monthly recurring membership access. 6) New additions in the setup page - OTO setup, List of Signup page URLs, Encrypted paypal fields, Data backup details. 7) Removed bugs and added anti-hacking module. Your Membership Site Admin Control Panel is 100 safe and secure. No Unauthorized Access will be allowed. The following message will be displayed if somebody try to access your Admin Control Panel. You don't have to worry about hackers attempting to create a membership account from the Paypal or Clickbank Signup page without making payment. If somebody is trying to access the signup page without making payment, they will be forwarded to the following screen:- This tool will create random signup form URL with numbers and alphabets that is very difficult to guess.
