Millhorn) was born and raised on the buckle of the Bible belt, known as Dallas Texas. He was reared to love his parents, family, and church very much, but in the course of time this young man forsook the God of his fathers and ran headlong after women, alcohol, gambling, and disco dancing. Through the power of his family's prayers and those of his beloved "Church on the Rock" (80's Larry Lea) (90's Jerry Howell) (2000's John Bragdon), this minister of the word turned from the pleasures of Satan unto the glorious life of God in 1985. Brother Steven is ordained to preach and teach the word of God (The Holy Bible) by The Law of Liberty Ministries "Buffalo Texas" (Randy Richter) and has studied under all that Christian television, radio, and his beloved Pastors have taught. He has spent hundreds of hours in Bible study, singing to God, prayer, and believes himself to be a zealot for God. Although I am made of clay, I depend wholly upon the risen Son of God. With all my heart, I trust in God, His Holy Word, and the indwelling Holy Spirit for all of life's needs. I have read the Holy Scriptures of the New Testament, The Book of Proverbs, and now the 4th and final installment of the Book of Psalms with fear and trembling, knowing that those who teach God's word are held to a higher standard.
