

Mp3 Clang Bang - Rock: Modern Rock

[DOWNLOAD HERE](#)

The psycho-socio-political-philo world of Barrett Andrews; a mad maze that rocks, pops and explodes into a glorious sound. 13 MP3 Songs ROCK: Modern Rock, POP: British Pop Details: The psycho-socio-political world of Clang Bang rocks, pops and explodes on their self-titled debut CD.

"Firecracker" kicks things off in instant Summer Blast style. The rest of the Clang Bang journey explores the human condition and psyche in a musical excursion that echoes the past, present and future. Other standout tracks include the ode to free-speech, "Silence (is part of the danger)" and the theme song that started it all, "Clang Bang." New Jersey native Barrett Andrews has assembled a stellar lineup, including Jonathan Dinklage on violin, to bring his Clang Bang vision to life. Discover a new lyrical landscape where "more than meets the ear" is the order of the day. Clang Bang's music meets the challenge of the times and even offers the public an opportunity to contribute new intelligent lyrics for new version releases of the song, "Clang Bang."
