Flamenco music, flute 10 MP3 Songs WORLD: Flamenco, JAZZ: World Fusion Details: Domingo Patricio for many years he has played accompanying important musicians such as Mark Ledford and Paco de Luca, among others. Last January he decided to engage on his own project and has recorded his own album, which I would like to present here. Under the title Domingo Patricio you shall find ten pieces which go from flamenco and jazz to ethnic music. The main accompaniments are played by the well-known jazz bass-player Carlos Benavent and the guitar-player Rafael Corts, who plays the Spanish guitar with the deepest soul of flamenco. DOMINGO PATRICIO es un claro exponente de cmo la creatividad aplicada a la msica puede dar lugar a combinaciones de resultados exquisitos. La flauta travesera de PATRICIO y la msica flamenca se unen de manera excelente y aportan nuevas tonalidades que muestran una nueva manera de ver el flamenco. Este es su primer trabajo discogrfrico en solitario. Disco producido por l mismo y Rafael Corts; contando con la coproduccin musical de Carles Benavent, y grabado, mezclado y masterizado por Klaus Dieter en Alemania. Actualmente es el flautista de la formacin del guitarrista Paco de Lucia.
