Featuring the hit song SUGAR CREEK MOUNTAIN 12 MP3 Songs COUNTRY: Bluegrass, FOLK: Folk Blues Details: They've delighted audiences from more than 3700 stages, appeared on over 500 live television shows, and are garnering rave reviews from their latest disc, "Thank You Very Much". The new album features the hit Bluegrass/Americana song Sugar Creek Mountain along with some of the many popular Blues/Country tunes this group is known for--plus a one of a kind, super-speed rendition of the Orange Blossom Special. Acclaimed for her rich vocals, lightning fingers, and spirited persona, Mean Mary delivers music as refreshing as a cold creek in July. It gets in your skin and before you know it youve walked the dirty halls of a blues club, found God in a wheat field, and stomped your feet on the sunny side of a mountain.
