Munchkin are Post-Modern electro-pop. 6 MP3 Songs ELECTRONIC: Trip Hop, POP: with Electronic Production Details: Munchkin is a three piece from Adelaide. They unify smooth and soulful female vocal (Kaliah Alice) over electronic beats, live bass (Damian Walters) and melodic guitar (Dale Taylor). It is a crossover style, blurring the line between an electronic act and a pop/rock band. Since releasing their Debut 'Nothing has Changed Except for Everything', Munchkin has been performing and promoting their music. As a result they now have a growing fan base and are currently in pre-production for their follow up album, 'Deny You're Here'. The band recently travelled to Austin Texas USA, to experience playing their set in the vibrant music capital, during the SXSW festival. After travelling so far as a band, they now plan to start touring to different regions within South Australia and Australia. Other Highlights for Munchkin include winning 'best electronic act for 2005' at the AWSAM awards. Showcasing for AWSAM TV and also the 2005 SALA festival. Reaching No.1 on global website; mp3unsigned.com, No.4 on 'Three-D' local radio charts, and No.2 on 'Southern FM' radio charts (after six months 'Nothing has Changed Except for Everything' is still in the top ten, on Southern FM). Influences include: Depeche Mode, New Order, Air, Massive Attack, Garbage, Lamb. munchkinland.com.au Contact: Damian Geddy Walters - geddymunchkin@yahoo.com.au Ph.
