In keeping with our belief that diversity is strength, we are feminist women of varied ages, races, and ethnicities with a range of musical abilities, political interests, and life experiences. We are women loving women; we are heterosexual, lesbian and bisexual women united in song. We commission and seek out music composed by women, pieces written to enhance the sound of women's voices, and songs that honor the enduring spirit of all peoples. In performing, we strive for a concert experience that entertains, inspires, motivates, heals, and creates a feeling of community with our audience.
