During late 2002 and early 2003, in addition to spending several days and nights in recording studios, Mychal Kelly began recruiting a team of performers, musicians, and collaborators to add their touch to the Mychal Kelly project. May 20, 2003, Mychal released a new CD "Mychal Kelly: The Jersey Devil" - his first part in "The Jersey Devil" 4 album SERIES. In addition to this mammoth release, production was already underway for the three part music movie that would become known as Mychal's first full length film "Dj Vu". Written, directed, and produced by Michael S. Kraemer Jr., the movie stars Mychal Kelly and collectively, his fresh crew of dancers and band members, as well as some special guests. The completed 200-minute movie, featuring 17 music videos, was premiered in its entirety on April 16, 2005. It followed the release of Mychal's second CD "The Jersey Devil - Part II: The 24 Dimensions" October 29, 2004. A concept album that contained 24 interleaved tracks totalling over 78 minutes! With a fresh new live act and the completion of the 2006 release (April 29, 2006) of "The Jersey Devil - Part III: The Untouchable" CD soundtrack movie (The follow up/sequal to Dj Vu) it seemed as though Mychal Kelly had finally found his niche without a major-label deal. And at that point...deal or no deal...he showed no signs of slowing down...ever... In 2007 Mychal Kelly put his undivided attention into his fourth album, a concept album, and never looked back. Through the struggles of a changing status quo of art, music, and movies, 2008 brought along the long awaited completion of the "The Jersey Devil" 4 album SERIES!! The March 20, 2008 release of "The Jersey Devil - Part IV: Quietly Judging You" has become the biggest milestone in Mychal's career! An EPIC concept album containing 35 interleaving tracks of Rock 'n' Roll!!! Based on the

upcoming 2008 Music Movie "The Jersey Devil" (expected release SUMMER 2008). Written, directed, and produced by Michael S. Kraemer Jr., it will feature the NEW live band and dancers, upcoming actors and SPECIAL guests! People who are interested in should consider this download.
