

Mp3 ///seed - Outside These Church Walls

[DOWNLOAD HERE](#)

music for the revolutionary hip hop listener. 13 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap
Details: The dictionary defines revolution as a major change. This is what's about to happen in the hip hop industry. Keep it real? Show love? Spit words of wisdom? These are what's being offered in this package. Yes, because the music was inspired mostly by more lyrical jostlers such as Nas, The Roots, Lauryn Hill and old skool faves T-La Rock, Rakim, P.E. and especially Run DMC, Neil Vilain (aka Seed) wanted to contribute his part to rap's history. Now, after a few bumps in the road (such as his best friend stealing his home studio equipment) he now turns his attention to the others struggling with moral issues like he did. While even some closest to him would just point fingers at his pitfalls in trying to achieve this dream, Seed now even goes against the grain of this music's industry. Hopefully the world is ready for a man determined with lines like "If I can't dream, tell me what's the use of living...", on his debut cd titled Outside These Church Walls. Get your copy today for just five bucks (making it affordable to all "REVOLUTIONARIES")! --Get In!!
