Details: The Span Phly is a rapper/producer who has been honing his craft since he learned to speak. A wordsmith with almost too much to say he takes wisdom and blue collar common sense and weaves ideals over dark, handcrafted backdrops. After growing up all over the west coast he moved to Florida where he perfected the art, he now resides in Phoenix, Arizona. This urban underground artist strains to show and prove as opposed to simply stating his abilities. Taking influence from the great hip hop innovators such as El-P, Aesop Rock, and Slug he is always focused on making records outside the metaphorical box. The Phly is committed to burning the oil well past midnight in an effort to solidify his spot amongst the underground elite.
