R&B, Soul 10 MP3 Songs URBAN/R&B: Soul, BLUES: Funky Blues Details: White R&B/soul, with 60's and 70's influence. Dynamic vocals, powerful lyrics that will reach deep into your soul. can't tell you how exciting it is for me to get back in to the music arena. I've truly missed it. I was fortunate enough to be signed by 10 record labels in my career. The labels ranged from: Warner Brothers, Atlantic Records, Columbia and Epic Records etc. I was very lucky to sell over 1.4 million records in the 60's, 70's and early 80's. My main desire is to hopefully reach some of the thousands of fans that bought my music and to share with them and new fans, the music that I'm writing today. I can't wait to hook up with some booking agencies and start touring the world again. So, look for me and be sure to check me out on: myspace.com/turleyrichards turleyrichardsand at: youtube.com/turleyrichards I will be looking for you guys. This BlindSighted Cd is more of an acoustic folk rock type style. People who are interested in should consider this download.
