If your a big "Star Wars" fan then you'll probably like his sci- fi movie, "The Fall of Telgar." This album is a soundtrack for his animated movie, "The Fall of Telgar." The story line for the movie was written about 15 years ago. Vincent started doing hand drawn animation in 1990. He began to use flash to animate his movies. He is now learning 3D animation software to make his animated movies. Here is a synopsis of his movie: The First Chapter in the SCI-FI Soap Opera! THE FALL OF TELGAR Chapter One: Titan's Plot! An Animated SCI-FI Spectacle! Classic Conflict between good and evil! Since the dawn of time the Evil One had turned man against man and man away from God.! The great Prime Minister, Alaszar Drago, of the planet Telgar has a rival the dreaded Lord Damon Titan of the planet Ammon. Titan's father, Tradezelon, was the dictator of Telgar years earlier when the young idealistic Drago came onto the the political scene. Drago and a few others plotted to murder Tradezelon and usurped his authority in the name of liberty. Titan was a small child and was traumatized by the events. Titan, his mother, and his

infant younger brother were forced into exile on the barren and harsh environment of the planet Ammon. Titan grew up despising Drago and his people for what they had done to him and his family. Fueled by his hate and insatiable desire to rule Telgar, Titan quickly rose to power on Ammon to be the supreme Lord Emperor of Ammon. The time has come for Titan's revenge as he plots the demise of Prime Minister Drago! Titan will not stop until all his enemies lie at his feet and he is supreme master of Telgar! Will Telgar withstand a full scale attack or will the stage be set for The Fall of Telgar? This film is 30 minutes in length and is Rated PG.
