Are You Ready To Get Creative And Make Money Selling Information? In this book I AM presenting you with a formula. By the time you are done you will know how to conceptualize and build a content rich site that encourages sign ups. Still getting creative with your business is what putting together an information site all is about. That is because you are selling an enrollment and not a solid product. This means that you need to leverage what it is that you already know about your customers and what they want if you really want to convert them to members. In 1 Month Membership Riches you'll learn such creative, business growing tricks for your information site as: How to think a little more outside the box in order to make huge profits. What sites to look at in order to discover the objectives that people want to achieve. How to study ClickBank in order to find out what kind of information people are looking for. How to get review independent reviews in order to find products. How to study bestselling books on Amazon so you can develop great products for converting your customers. How to narrow down the focus of your membership so that you have a niche that mines an inch wide and a mile deep. How to position your membership site so that when you launch it there will be the advantage of a Unique Selling Point. How to

milk material out of existing products so that you can make it last for months as fresh, evergreen and informative material for you clients. How to build an entire site around information you find for free without violating anyones copyright. How to scope out ezine sites to find out what type information people are looking for and build a membership site around that. How to put yourself in your members shoes and give them exactly what they might be looking for. How to use a very creative and simple approach to find out exactly what it is your customers want to see on a membership site and what kind of information they would be willing to pay for! How to glean market research information from a public forum on a niche product. How to search for public forums that will give you the most information possible about the topic. How to be creative with content that you find on sites that supply public domain materials. Where you can find public domain materials for free. If you follow the formula for success that was developed by me you will start earning money in the one month that I have promised! Moreover the system I have created self-sustaining and improves with effort. The more creativity and imagination you put into it the more money you will make! My methods are fool proof. You can build a self-converting business empire that can viably ring in thousands of dollars a month using next to no startup capital if you follow the methods in 1 Month Membership Riches. Yet another quality of my methods is that your website practically runs itself. You do not have to monitor it day and night. It runs on autopilot
