Special Investigations series. Nothing could be more complicated than having hot, over-the-edge, inappropriate sexual fantasies about your boss. Except maybe acting on them. Working for the Division Six Director brought agent Ellie Sterling into close contact with the gorgeous Scotsman on a daily basis. She couldn't ignore any longer the smoldering looks and electric chemistry that surged between them, but their chaotic attraction could destroy their careers. When Ellie receives threatening notes and Ben's protective streak kicks in, she realizes she must take action that could put them both in harm's way or separate them forever. Nothing could be more complicated than having hot, over-the-edge, inappropriate sexual fantasies about your assistant. Except maybe acting on them. Ben Darrock, Director of Division Six in the Special Investigations Agency, knows that intimate interactions with his assistant, the beautiful Ellie Sterling, could cause them both their jobs and damage Ellie's reputation. But the attraction is getting harder and harder to resist. When Ben decides his need for Ellie must come before his career, sparks fly and passions heat up the Colorado winter. Enter into all this mix, a stalker who must be caught before he

can move on the threats he has made on Ellie's life. Only then can Ben and Ellie attempt to create a life together, no matter what. This is a story set in the Special Investigations Agency but can be read as a stand-alone. Author: A. Agnew, Denise Publisher: Ellora's Cave Publishing Inc.
