Valentines Day is named in honor of Saint Valentine, who lived during the Roman times. There is a belief that when Valentine died, he left a note to his jail keepers daughter which was signed, Your Valentine. People have been sending similar messages to their loved ones since then. Its the time of year to celebrate romance again. Actually, its always the time of year to celebrate romance, but this is the time that society, at the prodding of greeting card and chocolate manufacturers, sets aside especially for such amorous festivities. Every February, across the country, candy, flowers, and gifts are exchanged between loved ones, all in the name of St. Valentine. But who is this mysterious saint and why do we celebrate this holiday? The history of Valentines Day -- and its patron saint -- is shrouded in mystery. But we do know that February has long been a month of romance. St. Valentines Day, as we know it today, contains vestiges of both Christian and ancient Roman tradition. So, who was Saint Valentine and how did he

become associated with this ancient rite. These Valentines Day recipes are a perfect way to celebrate a special relationship or just treat yourself and your family on valentines day. While in prison, it is believed that Valentine fell in love with a young girl -- who may have been his jailors daughter -- who visited him during his confinement. Before his death, it is alleged that he wrote her a letter, which he signed From your Valentine, an expression that is still in use today. Although the truth behind the Valentine legends is murky, the stories certainly emphasize his appeal as a sympathetic, heroic, and, most importantly, romantic figure. Its no surprise that by the Middle Ages, Valentine was one of the most popular saints in England and France. I feel that Valentine dinners should be special. Choose your sweeties favorite foods and surprise him or her with a wonderful romantic meal and a special table set for two. If you have a fireplace, set a small table close by, and use your most delicate china and crystal. A few candles and a small, low bowl of fresh flowers will complete the atmosphere. .
