To Vanessa Shaw nothing is more important than family, especially since her recent reunion with her long-lost brother and sisters. So when she's asked to counsel a troubled teen, she puts everything into restoring her charge's sense of security--while wondering, where is Lindy's half brother and new guardian, Richard Austin? Once he finds out what happened to his little sister, Richard is determined to make everything right. He works closely with Vanessa to achieve this, and the more time he spends with the therapist, the harder he falls for her. But Richard can't shake the feeling Vanessa isn't willing to forgive him for abandoning Lindy. Yet once he realizes Vanessa is the woman for him, Richard will stop at nothing to get her to change her mind about him--and consent to be his wife.
