Timm Miller Presents.... "Bring A Bit Of Humor To Your Blog Instantly With The New Wordpress Plugin That Automatically Tacks a Random Joke To The End Of Every Post!" Introducing: The WPJoke Plugin For Wordpress "Share Good Clean Humor With Your Readers!" The WPJoke plugin will add a funny joke to the end of every blog post you make on complete autopilot. This puts a smile on your reader's face with every post you make, and adds character to your blogs. (Especially any blogs you may already have automated posting on or intend on automating!) We have over 500 jokes in our database, with plans of expansion! This ensures that your visitors will see new jokes every time! Every joke in our database has been CAREFULLY screened, and there is NOTHING questionable about ANY of the content. So don't worry about offending anyone or posting wierd stuff! We've got you covered and give you our "Family Friendly" stamp of approval. ----- "WPJoke Is For ANY Blog, Regardless Of Your Niche! Everyone Loves a Good Laugh!" How WPJoke Works: WPJoke is a simple Wordpress plugin that pulls in jokes from our constantly updated "Clean Humor" database, and adds them to the end of every blog post you make. Jokes are displayed in a borderless iframe on a white

background. They are dynamically driven, and randomly chosen. EXAMPLE: a bit of humor... Do vegetarians eat animal crackers? SIDE NOTE: If you own other plugins that add content to the footer of your blog posts such as WPFooter - don't worry! You can specify which order to display your footer plugin content - you have full control. Download Now! Easy Two-Minute Install And Setup! Step One: Upload WPJoke To Your Blog's Plugin Folder Step Two: Activate It In Your Wordpress Dashboard Step Three: Edit The "Powered By WPJoke" To Earn Instant Commissions (See details below) That's It! EARN 100 PERCENT INSTANT COMMISSIONS!
