Reno Detective Cristian Flesh lives his life by a strict set of personal rules, preferring one-time flings and anonymous encounters to committed relationships. His rules work for him... until his life is turned upside down when first, a former lover, a famous televangelist, is attacked, and then one of his one-night stands is murdered, making Cristian the prime suspect. When handsome lawyer Colby Maddox takes his case, Cristian finds himself wanting to break all his rules about relationships. The instant attraction between them is undeniable. But before they can contemplate any kind of future together, they'll have to clear Cristian's name by finding the real murderer. Author: Stone, Ethan Publisher: Dreamspinner Press
