New-age solo acoustic piano in the vein of George Winston, Jim Brickman and Yanni 10 MP3 Songs  
NEW AGE: Ambient, NEW AGE: Healing Details: AWAKENING is Jim Bajor's debut album coming on the scene in 1987 and being nominated for the New-Age acoustic Grammy Award in that same year. This CD was totally Jim's own effort being recorded by his own label and promoted by himself. It did very well and was on the market for two years. After many years of requests from friends and fans Jim has re-released this CD in May of 2004. This music comes straight from Jim's heart expressing his deepest emotions and feelings after a long period of alcoholism and experiencing a spiritual AWAKENING, hence AWAKENING. This CD was followed by GENTLE IMAGES, SOMEWHERE IN TIME and CHRISTMAS MEMORIES all available from CD Baby. Jim Bajor was born some 40 years ago in Detroit Michigan where he currently resides. He studied piano privately for 25 years and also attended Wayne State University. His music was used in the PBS special on "The Sinking Of The Edmund Fitzgerald". It was also used by PBS in a documentary on the HOSPICE movement. Jim Bajor continues to record and play concerts and select engagements. All of his recordings are available right here on CD Baby. Jim Bajor encourages your emails and makes every effort to answer each and every one. We are proud to once again present "AWAKENING".
