

Strange Beauty - K. Osunsan, Olutayo

[DOWNLOAD HERE](#)

"Strange Beauty" is a collection of poems that add up to reveal that failures, trials, limitations, hardships, and losses only make us stronger by relying on God's strength and resources; they help us dare to believe and make us stupid enough to aim higher than we can possibly achieve. And in a strange but beautiful way we begin to realize that everything that happened was actually stretch us, to make us people of character, depth and integrity. "Strange Beauty" is Olutayo K. Osunsan's first collection of poems. It highlights the colorful qualities of the human condition, its trials, hopes, losses, failures, successes, fears, dreams and its endless facades. Through the limitations and situations, the human spirit permeates through all obstacles and that is the Strange Beauty of life. The diverse qualities and unique incidents in the world are captured in this collection through the eyes of a young African. These poems depict the relationship between God and man, love and life with its ups and downs and celebrate the flaws and abilities that add up to life. Strange Beauty is not only a collection of the author's experiences, but it includes that of the reader and every single book of the same title by the author ends differently. Find out why when you get your copy. Author: Osunsan, Olutayo, K. Publisher: Fultus
