With her husband, a soldier, serving overseas, Ginny feels alone and a little bit desperate. When she applies for a job as a cocktail waitress, will she get in over her head? Ginny doesn't want to cheat on her husband, but she keeps getting in over her head...again and again...no matter how hard she tries not to. Ginny finds men are willing to take advantage of her while her husband is away. This leads to many intimate situations. Will her husband's rugged brother, Jake, take advantage of the situation? Excerpt: She thinks she's too good for the likes of me, I'll bet ... Baby, what a surprise you've got coming! I'm gonna pump you up like a basketball. You'll be begging for it before I've finished with you! He couldn't help grinning as he looked over his find, taking in her youthful, perfectly ripened loveliness. She was like a juicy, fresh-picked peach - all naked and inviting, lusciously perched on a pedestal, awaiting his touch, his mouth, his lips. He lifted one knee awkwardly, almost losing his balance, and shoved it between Ginny's bare hip and the back of the sofa, edging her away from the cushion until he straddled her securely, pinning her flat down on her back like a helpless insect. Ginny squirmed to escape him as he raised on one knee and yanked his pants down over his ankle, over his already bare foot, taking advantage of his

momentary clumsiness. But Marty was way ahead of her; he pinned her instantly with one hand right in the middle of her smooth, flat belly, tightly smashing her against the sofa as he pulled his pants free of his other leg and tossed them on the floor beside him. Her body's strength to resist now weakening, Ginny pleaded helplessly for him to leave her alone, her mind a whirling, half-dazed windmill of fear and humiliation. Oh, God, Please ... Don't let this awful thing happen to me! Please ... I'll never be able to look Fred in the face again! Oh, please, help me ... Help me! I couldn't live with the shame of this horrible nightmare! *** Is she any safer in her brother-in-law's strong hands? Warning Explicit Content: Adults Only.
