Video #11 This video will show you on creating a dotted-line table or the Johnson Box, working with the order table, text & hyperlinks. Video Time : 8 min 54 sec

Save Your Time & Money With These Videos Now think about it. If youre not watching these videos, it may take you many months before you can finally create your first mini-site. (Of course, depending on your present level of skills and knowledge) You may have tried reading books and manuals on website creation but they can only tell you how to do it on writing. Youve still got to figure out how to do what youve been told! Why spend the next weeks and months trying to figure out all of the steps it takes to get your mini-site created and set up -- when you can watch someone show you exactly how to take action and get it up and running today? With these videos, youll be able to watch them directly from the computer screen itself! User tags: mcstore, mini sites, frontpage, websites
