Employers are forever on the lookout for the resume that jumps out at them. Not in terms of being fancy and pretty to look at. Employers are looking to be impressed! Reading your resume, they want to be able to feel that YOU are the right candidate for the job. They want to be able to do this before ever setting eyes on you! Tall order, right? You betcha it is! The very first step in landing that ideal job is to write an ideal resume and cover letter. Without those two most primary of introductions, there most likely wont be a first interview!
