Franz Von Bayros also known as Marquis de Bayros is best known for his controversial erotic illustrations. A graduate of the Vienna Academy, he evolved in the elegant fin-de-siecle Viennese society of artists, poets and musicians. With an exquisite draughtsmanship, he depicts a complex world of luxurious decadence and sexual anarchy taking place in the cozy boudoirs of the upper class. He was admired but also banned throughout Europe for his outrageous work. This volume is part of the collection "Erotic Art Classics" published by Jones and Jones, Publishers (Whitworth Karlin, Editor).
