Zack Banning hasn't had an easy time of it recently. After spending more than fifteen years in the Marines, he's discharged due to a head injury received in combat. With no missions to run or people to save, it's all he can do to get out of bed in the mornings. The pills the doctors have him on to keep his injury-induced delusions at bay don't help the situation. When he discovers a young man being accosted outside of a bar one night he sees it as a chance to feel the satisfaction of saving someone once again. He just doesn't realize until it's over that the young man came to the bar to warn him that someone is out to kill him. What Eljin tells him is a story so outlandish, Zack begins to wonder if he's having one of his delusions. Because if Eljin's story is true, the entire foundation of everything Zack believes just flew out the window. Fleeing through the countryside with Eljin, Zack tries to understand everything without telling the man he's nuttier than a fruitcake. But the more time Zack spend with Eljin, the more he wants him until he can't think of ever being separated from the little elf. The only way to save Eljin is to take him back home-through the veil between the two worlds. Arrival on the elf's side of the veil isn't perfect, however. They encounter a war between the elf worlds, the threat of human invasion, and a bias against humans.

Zack and Eljin have to keep their wits about them as they try to save their home, their family, and themselves. Special Content Alert: M/M Excerpt: "Please," Zack begged when the man's mouth continued to tease him. He'd beg, plead, whimper . . . do whatever he needed to do to get him what he needed. The man pulled back, grinning down at him before he settled more closely over Zack's groin. A tight hand suddenly grasped Zack's cock, making him suck in his breath. He just might come from that alone. When the man slowly lowered himself, impaling himself on Zack's cock, Zack didn't know if he would last more than a few minutes. He was so close to orgasm he could almost taste it. "Oh fuck!" Zack cried out when the man finally bottomed out. His cock was so far inside the man, Zack wasn't sure where he ended and his mysterious lover began. The man moved, slowly at first, then with more speed. Zack rolled his eyes back in his head, overcome with elation unlike anything he'd ever felt with any of his previous sexual partners. Each thrust felt like he was being squeezed in molten lava. Strong muscles gripped Zack's cock and he doubted he'd have to move at all. The man could just massage him to orgasm. The feeling was exquisite. Suddenly, the man leaned over him until they were nose to nose. Vivid blue eyes stared down at him. Zack couldn't look away, not even when the man lowered his mouth and kissed him. Lost in the sweetest flavor he'd ever tasted, Zack barely felt the small nip of teeth until he tasted a light, coppery taste. His eyes widened in shock as he heard the man's voice in his head while their mouths were still connected. "My leannan," the man whispered into his mind, "come for me, my beautiful leannan. Give me your life, your love, your forever, as I give you mine." Instantly, Zack stiffened as every nerve ending in his body exploded at the same time. Pleasure shot through him and erupted inside of him. Zack roared as he came, filling the man above him with every last drop he had to give. He distantly heard the man cry out and felt a hot wetness splatter across his abdomen but he was too far gone to acknowledge it. He floated in a euphoric haze of lust and desire. Zack opened his eyes and looked up at the flushed face of the man who'd just rocked his world. Sad, azure blue eyes stared back at him as two little words filtered into his mind right before he faded off "I'm sorry."
