## Mp3 Brad Simmons Band - Dreamworld

## DOWNLOAD HERE

Singer-songwriter rock / pop / new age-jazz fusion. 8 MP3 Songs POP: California Pop, EASY LISTENING: Soft Rock Details: Dreamworld, Brad's debut recording, is a song cycle fusing musical elements of new age/rock/pop/jazz. The lyrics are an introspective account of any young man's passage into adulthood. With Simmons' piano as the vehicle, the listener navigates through an emotional journey in search of their own raison d'etre. Strong vocals and well crafted compositions further the dynamics of each dreams' experience. A must for music lovers!
