Quiet, meditative, hauntingly beautiful. The Native American flute played with a non-traditional, new age resonance. Wonderful for relaxation, meditation, or creation. 15 MP3 Songs NEW AGE: Meditation, EASY LISTENING: Background Music Details: JAN-MICHAEL DERUYTER Native American Flutist This music is a gift from The Creator, born of the spirit and energy of the forest. I began to play this beautiful, ancient instrument while doing wildlife habitat enhancement work in the Rain Forests of Oregon. As I sat quietly and felt the wonder and power of Creation, these old growth woods spoke to my soul. Their voices manifest in the music of these flutes. It is this spirit I connect with each time I play. Each piece is improvisational, flowing from the energy that unites us all, and recorded as it happened. As you listen, may you feel the presence of the trees, the flow of life and the wonder of all creation. From my soul to yours...Jan-Michael
