Nine Things Nathan Noticed At Night discusses nine great things that happen when the sun sets for the evening. Each page includes a statement about what is happening and then some fun facts and information about that event. Written from a Christian perspective, the story describes how God made things when He created the Earth. While the story was written specifically for ages 3-8, children of all ages will enjoy this book. Even adults can admire the beautiful watercolor artwork done by illustrator, Sarah Barnes.
