[DOWNLOAD HERE](#)

This text models for teachers how to help children learn and write by establishing comfort with writing, building confidence, and developing competence. Several themes run through the learning-to-write-process presented in this text:\* Writing is communication;\* Writing is a powerful tool for learning;\* How children feel about their writing and themselves as writers affects how they learn to write;\* Teachers are coworkers with students; children from many backgrounds can learn to write together. The text synthesizes what we know about how children learn, how we write, and what we write into a process of teaching children to write. It is intended to serve as a starting place for developing theories of how to best teach writing.Author: Bratcher, Suzanne Publisher: Routledge Illustration: N Language: ENG Title: The Learning-to-write Process in Elementary Classrooms Pages: 00248 (Encrypted EPUB) / 00248 (Encrypted PDF) On Sale: 2012-07-26 SKU-13/ISBN: 9780805822557 Category: Education : Teaching Methods & Materials - Reading & Phonics
