Dazzle Your Visitors With UNIQUE And MEMORABLE Sales Pages Watch Your Competitors Turn GREEN With Envy As You Overflow Your Bank Account While Their FORGETTABLE Websites Repel Customers Like The Plague! I know you know what I'm talking about... You get email promotions flooding your inbox daily, and every link you click takes you to the exact same sales page, over and over... just different words. You spend MAYBE 3 seconds there, hoping THE COPY grabs your attention. Well, I don't know about you, but I'm not an expert copywriter. I need something more than "hot button" phrases and "emotional triggers". So I have to count on what I am good at... and that's creating unique looking sales page graphics. Here's what you get: 5 Unique, Professional Minisites: with 5 horizontal VIDEO squeeze pages: 5 VIDEO testimonial boxes 5 vertical VIDEO optin forms 5 matching payment buttons 20 assorted, matching bullets 5 unique, matching page backgrounds Each item will come "ready to go" in html format - all you need to do is type in your copy! I will also include the PSD files for easy editing. How much is this going to cost? I usually charge \$97 per package, which includes just ONE minisite, generic opt-in box, payment button, background and testimonial box. HOWEVER... For a LIMITED TIME ONLY, I am offering ALL 5 premium, VIDEO-READY packages for only \$6! I have been working on some kick butt designs for Web 2.0 style sites... so I decided to include a BONUS minisite with a video opt-in graphic done in that cutting edge, glossy style that has become so popular! Over time and with some patient work you can increase the chance that a visitor to your site will buy from you and maximise the profit you earn from every site. You need to test and with this script you can! Now... Seriously - don't delay. If you wait to think it over and you come back to find this page taken down, SORRY! Once this sale is over, that's it... I will be putting the packages back up to their regular price. Lisa Preston's Graphics with Impact Package Don't delay!! These prices will NOT stay this low for long!! Warmest regards, Stanley E Kennedy RightBiz P.S. - What are you doing down here? Get your Graphics With Impact package right now for only \$6 -

that's over 90 off regular prices!!!
