Centuries past, through mists of a dark time where vampires and witches lived side by side, vampires gained power by enthralling a witch, ultimately draining her of her strength and depriving her of immortality. Until the enslaved witches rebelled and cast a spell making the blood of a witch deadly to a vampire. Now, past and present are about to collide. Michael Lynsay is a man in the spotlight, at the height of his career, with the ability to mesmerize audiences. But he has a secret he is a vampire, fighting the darkness of his nature. And it looks like it's a losing battle until he meets Jane Renan, the only woman who can understand his conflicted nature. And the only woman who can destroy him through love.
