Holly Dominique Adair Book 1 in the Southern Submissives series. A submissive betrayed. Holly has seen the darker side of the bondage lifestyle and her experience has left her scarred, both physically and emotionally. Reluctant to venture back to the world of sensual excess that calls to her, she's forced to make a choice between facing her fears and saving her livelihood, or losing her heritage and possibly her soul. A master on a mission. Ethan has been in love with Holly from the moment they met at a bondage scene in the French Quarter. Disturbed by her bad experiences, he hatches a plan to bring the woman of his dreams into his bed in the hopes that ultimately she will invite him into her heart. One weekend. A one-shot deal. Three days where Ethan will use every erotic tool in his considerable arsenal to win Holly over. But the weekend is a taste, an addictive sample of what could be, and for a man with forever in his sights, it's only the beginning. Note: Holly contains one scene of non-consensual bondage that some readers may find disturbing.
