House of the Cat Shelley Munro Two brothers slugging it out, an alien world and a hell-horse... Jockey Camryn O'Sullivan is an alcoholic on a downward spiral after the death of her husband. When aliens kidnap her, she's both terrified and reluctantly fascinated by Ryman Coppersmith. She's positive the weird attraction is an anomaly. Something to ignore. She'll train the alien's horse and they'll return her home. Simple. There's no need for sex or a stubborn male kitty-cat to replace the precious memories of her husband. Murder. Betrayal. Banishment. Feline shifter Ry has experienced them all. When his foster brother-the man who betrayed him-proposes a wager, the lure to clear his name is irresistible. Camryn's arrival triggers a jump in his already overactive sex drive. It's a struggle to keep his hands off. Something in his mysterious feline background compels him to chase her and the passion firing between them soars out of control. Ry doesn't understand the mechanics of their attraction but knows he can't afford to lose Camryn....despite his promise to return her home.
