

Lbreakout (pc Game)

[DOWNLOAD HERE](#)

LBREAKOUT (PC GAME) The successor to LBreakout offers you a new challenge in more than 50 levels with loads of new bonuses (goldshower, joker, explosive balls, bonus magnet ...), maluses (chaos, darkness, weak balls, malus magnet ...) and special bricks (growing bricks, explosive bricks, regenerative bricks ...). If you are still hungry for more after that you can create your own levelsets with the integrated level editor. System Requirements: Windows 98, 2000, ME, NT, XP, Vista & 7
