The castle and its lands were Ulric's goal when he started the siege. Now that he's seen the Lady Devon, his mind and his body demand he take her as his wife. He only needs to find some way to control his passions so that he doesn't scare her on their wedding night. A mysterious minstrel named Trey seems to have the solution with his aphrodisiac potions and salves. In return for his aid, Trey demands the opportunity to win the lady's affection. The two men do battle to give Devon maximum pleasure. Will she choose the clever poet or the savage Viking who's come to love her? To My Reader: What woman doesn't want a huge warrior with unquenchable passions and the right equipment to put them into action? I created Ulric to fill my own fantasies. I hope they energize yours, too. About the Author: Award winning author Alice Gaines loves independent heroines, sexy heroes, and happy endings. She shares a funky, old house in Oakland, California with her pet corn snake, Casper, and a collection of neglected orchids. When she's not dancing to Tower of Power, Alice most enjoys sitting in the backyard and writing out her romantic fantasies. Alice loves to get email from readers at authoralicegaines@yahoo.com.
